MEMORANDUM FOR: [REDACTED]

25X1A9a

Assistant to the Deputy Director (Support)

SUBJECT : Handling of Employment Review Board Proceedings.

25X1A9a

1. On 4 February 1957 I discussed with General Cabell the possibility of delegating either to the Deputy Director (Support) or the Assistant to the Deputy Director (Support), [REDACTED] the authority to constitute Employment Review Boards in cases involving the Director's statutory authority as set forth in Section 102(e) of the National Security Act of 1947. General Cabell felt that it would be inadvisable to delegate this authority, but assured me that an Order appointing such a Board would not be delayed in the Office of the Director.

2. Accordingly, when all concerned are in agreement that such a Board should be appointed you should draft an appropriate Order and take it directly to General Cabell for signature. In case of disagreement, please discuss the matter with me prior to taking further action.

3. When the Findings and Recommendations of a Board are ready to present to the Director, please forward them to his Office without reference to the Deputy Director (Support). General Cabell has agreed to this procedure in the interest of saving time with the understanding that he will request my recommendation in any case where he deems it appropriate.
